Summary

I am Khushi Akter Hena, a passionate Frontend Web Developer based in Dhaka, Bangladesh, committed to crafting responsive and user-friendly web applications. Proficient in HTML5, CSS3, JavaScript, React.js, Node.js, and MongoDB, I transform ideas into functional and visually appealing digital solutions. My goal is to deliver high-quality projects that align with user needs and contribute meaningfully to the tech industry by blending creativity and storytelling in web design.

Skills and Technologies

Languages: JavaScript, HTML5, CSS3
Frameworks & Libraries: React.js, Express.js, Node.js, Material-UI, Tailwind CSS
Database: MongoDB
Authentication: Firebase
Other Tools & Platforms: Git, Figma, Canva
Soft Skills: Active listening, Quick learning, Teamwork, Problem-solving

Projects

Service Review System   Live Demo | GitHub Repo

- A dynamic platform for exploring, reviewing, and sharing feedback on various services to aid informed decision-making.
- Includes service management (add, update, delete), user reviews, secure JWT-protected routes, and search functionality.
- Implements Firebase authentication with a personalized dashboard and features for logged-in users.
- Fully responsive design with real-time counters (React CountUp) and smooth animations (Framer Motion).
- Built using React.js, Tailwind CSS, Node.js, Express.js, MongoDB, and JWT for seamless functionality.

Movie Portal   Live Demo | GitHub Repo

- **Comprehensive Movie Portal**: Movie Portal features an extensive database of movies, covering the latest releases, genres, and trends.
- **Real User Engagement**: Features authentic reviews, ratings, and recommendations tailored to user preferences.
- **Rich UI & Visuals**: Modern design with high-quality banners, smooth animations, and a cinematic aesthetic.
- **Interactive Features**: Includes personalized movie recommendations and dynamic filtering options.
- **Tech-Powered Platform**: Built with React, Tailwind CSS, and MongoDB for a robust and feature-rich experience.
- **Device Compatibility**: Fully responsive design for seamless access across mobile, tablet, and desktop.
- **Secure & Reliable**: Utilizes cutting-edge tools to ensure data consistency, security, and performance for all users.

Education
